PROFILE

I am a full Stack Laravel Developer with strong skills in both backend and frontend development. I enjoy solving problems, learning new technologies, and building user friendly web applications. I am hardworking motivated and always ready to take on new challenges. I am to grow with an organization where I can contribute to its success and improve my skills along the way.

WORK EXPERIENCE

Frontend Developer

IT-HOUSE Dera Ismail Khan **6 months**

During my 6 months as a Frontend Developer, I worked on real-world projects including an e-commerce system, personal portfolio, dashboard and educational management platform.

Full Stack Developer

IT-HOUSE Dera Ismail Khan **10 months**

I contributed across the full development lifecycle, focusing on clean code, scalable architecture and excellent user experience.

Full Stack Developer (Internship)

Exagic Software House Rawalpindi **2 months**

As a Full Stack Developer 2 months of internship. I have worked on real-world projects such as e-commerce platforms, and educational management system.
